Lakefront Brewery Event Information

For a catered event during the week (Monday, Tuesday or Thursday) we can accommodate 80-100 people in the back of our Beer Hall while we are open to the public. During the week, we do not have a required spending minimum. There would not be availability on Wednesdays, Fridays and Saturdays. If you are interested in a Sunday evening private event, please let us know.

For a private brewery tour, we can accommodate up to 30 people per tour with a minimum of 25 people (tours can be less people but you will pay for 25). Private tours run on the half hour and public tours run on the hour. If a public tour time is desired, you would have to pay for the tour in its entirety, despite the amount of people in the group. You can not receive the extra tokens, to prevent over serving. Tours run 45 minutes and cost \$12 per person. The tour includes 32oz of beer and a souvenir pint glass. The brewery is in production during the week, so the tour will not go through the entire brewery.

If you are interested in offering additional beer and wine for your guests, drink tickets are available for \$6.00 per ticket. Tabs are also available if you do not wish to limit your guests to a certain number of tickets. If you have a limit for your tab, please let us know in advance and we can cut it off at the desired amount. If you wish for your guests to purchase their own beverages, we are fully equipped for that as well. We would not have any liquor available.

The back of the room will have a limited layout, due to our tables not being easily moved.

We ask for your menu choices a minimum of 10 days before the event and your final counts at least 7 days in advance. If you have this information sooner, we greatly appreciate it, as it helps with staffing and ordering.

Payment will be due the day of your event.

For catered events, we have to bring in products we do not have on premise. Because we have to place special orders for these items, we do enforce an event cancellation policy. This policy helps us to cover the cost of unused product, wasted product and scheduled labor intended to assist with the event. If the event is canceled more than seven (7) days out, there is no fee incurred. If the event is canceled within two (2) to seven (7) days, 25% of the total for the catering will be due. If canceled between 24 to 48 hours, 50% of the total will be due. If canceled within 24 hours or a no show, 100% of the total will be due.

If the private tour is canceled the day of, there will be a \$50 fee.

Any leftover food cannot be taken off premise due to strict health codes.
